

DD/R-177-63

6 February 1963

MEMORANDUM FOR: Director of Logistics

SUBJECT: Procurement of Supplies and Services

REFERENCE: [REDACTED] 21 January 1963

25X1A

1. Reference indicates that contracts may not be processed to the Office of Logistics after a 1 May 1963 cut-off date. This office requests that this provision be waived on the basis of the following justifications.

2. The Office of Research and Development, DD/R, is in the process of development and a nucleus of personnel was transferred in early January of the present calendar year. It will be practically impossible for us to solicit technical proposals and other documentation integral to the negotiation of contracts prior to 1 May.

3. We request, therefore, that the Office of Logistics accept contract actions from our office through the end of June.
